

Innovative, Culturally Aware, Community Minded, Creative, Board Directors Wanted

DIVERSEcity community resources society

Seeking Applications for Board Directors

DIVERSEcity is an accredited multi-service not-for profit organization. Our mission is to "promote the independence of new Canadians and to build strong, culturally diverse communities." If you are familiar with the challenges facing immigrants and refugees and are committed to the achievement of equality and social justice for newcomers, then we want to hear from you.

Those with strong ties to the community and possessing skills in one of the following areas: multiculturalism, immigrant settlement, health, education, human rights, research and advocacy, policy development, financial management, fundraising, law, human resources, marketing and promotions, are encouraged to submit a completed application form (downloadable from our website) with your resume.
