Signing this agreement releases DIVERSEcity and its staff of any liability in the above mentioned points, and grants permission for your child to participate in this program:

Signature of Parent or Guardian; Date: _____
(Please note that without a parent/guardian signature, your child cannot be admitted into this program)

PARTICIPANT INFORMATION:

This program will focus on the celebration of diversity within the group of children who are attending. We encourage parents to allow their child to fill out this section.

1. Please tell us about your favourite hobbies (e.g., sports, dance, music, reading, writing, drawing, playing outside, puzzles):
2. What areas of STEM (Science, Technology, Engineering, Mathematics) are you most interested to learn more?
3. Are there any activities that cause you to feel stress (e.g., new activities, being around new people, loud noises, crowded spaces, etc.)?
4. What activities help you to find calm in a stressful situation (e.g., colouring, singing, one on one time with a trusted adult, breathing exercises)?
5. What else would you like us to know about them before beginning in this program?

CLIENT PHOTO IMAGE/VIDEO CONSENT:

This in-person project will not be recorded nor will photos or videos be taken during the live sessions. However, participants may be asked to take photos and videos with their projects as they create them.

I understand that use of my photos/videos are expressly for marketing purposes or for reporting to the program funder and will not be used in any other manner. I have been informed that participation in this event is entirely voluntary and that I may change my mind at any time without any negative consequences. I have been informed of the possible risks of allowing my images/videos to be used in the media. The Society has explained the confidentiality policy and that if speaking to the media, I am not permitted to disclose confidential information or photos/videos about other persons who are co-participants of the program I am registered in. I hereby discharge DIVERSEcity Community Resources Society of any liability should I inadvertently or voluntarily disclose confidential personal information about myself or others. Your signature on this form indicates that you have read and understand to the best of your ability the information regarding the usage of your photos/videos and your agreement to allow usage.

Parent/Guardian Signature:

Date:

Pre-Survey

Please indicate how you feel about the following statements:	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
I think that STEM (Science, Technology, Engineering and Math) activities and programs are easy for girls to participate in.					
I think STEM activities are really fun.					
I can accomplish anything that I put my mind to					
I have adults around me who care about me.					
I can see myself working in a STEM-related career one day.					
Women have made important contributions to STEM around the world.					

Post-Survey
