Our Purpose

At DIVERSEcity, strengthening communities starts with helping people build the life they want. We listen with open hearts and minds to connect people to inclusive, innovative and culturally safe programs and services as they navigate their life in Canada.

From resources for their education and employment goals, to their health and wellbeing, we are here to support people's journeys, creating pathways for all to be a part of connected, stronger and healthier communities.

As a registered charity in British Columbia since 1978, we work together with Indigenous, community and business partners to elevate voices and advance change for an equitable and sustainable world. *For people. For communities.*

Vision

“An inclusive, equitable and regenerative society that puts people and the planet first.”

Mission

“Together, we build connected, stronger and healthier communities.”

Why Partner with Us?

It's well-known that incorporating social purpose or corporate responsibility into your company is beneficial for business. Showing your organization's support for diversity, inclusion and wellbeing in the community inspires customer engagement, improves your brand reputation and boosts your bottom line.

Once you've identified the strategic value of supporting the community, collaborating with a community leader in social services can ensure you're making meaningful, impactful moves.

As a registered charity with a 45-year history, DIVERSEcity Community Resources Society can be your bridge to social purpose. Understanding the growing needs among BIPOC, newcomer and underserved in the community, we are a leader in creating equity-advancing, innovative opportunities and events.

2026 Black Brilliance in BC event and awards

About the Event

Launched in 2023 by DIVERSEcity with support from the Surrey Local Immigration Partnership (LIP), the empowering Black Brilliance in BC event connects Black professionals, entrepreneurs, leaders and youth, along with individual and organizational allies to:

- Celebrate the achievements, cultures and contributions of Black Canadians
- Recognize and honour Black history in Canada
- Inspire dialogue, learning and support for Black achievement
- Advance equity and excellence for Black British Columbians including new immigrants and refugees

Last year's event was filled with inspiration, stories and entertainment that showcased the richness of Black culture in BC, but also underscored the importance of representation — whether in art, leadership or community spaces.
